A STUDENT'S LAMENT

So much going through my brain.
Sometimes school is really a pain.
Another test? Oh, give me a break.
I would give anything if I could take . . .
A day off. Yes, not do my work.
But back there in my lockers lurk
Those school books. Yes, they have to be read.
I have so much to do! Oh, my head.
Finish my homework. But the game is on!
Alright, whip off my math. But my book is gone.
I left it in school. Now what do I do?
Nothing. Just have to wait until tomorrow to
Do it in homeroom? No, It would be bad.
You idiot, this never would have happened if you had
Remembered your math book, but you didn't, okay.
It will just have to wait for some other day.
We could just ignore our work, just work less.
But the work we do today will pay off in the future,
I guess.

TO THE CLASS OF 1989:

Now that you have reached the end of your high school experience, I am sure you must have many conflicting emotions about leaving Whitman-Hanson and concerning your future. These feelings of joy and sadness, resolve and ambivalence, never really go away.

Like graduation, life itself seems to evolve into events which bring mixed and often opposite feelings. What we do with these feelings, and how we react, or better still, act as a result of these events, will, no doubt, determine our success.

Whether you achieve success or not is measured by what you believe success to be. I would hope that the success desired and worked for by the Whitman-Hanson family, namely, to help you reach your potential as a productive, educated, caring, and sensitive member of our society, would be the standard you would choose. If this has been the case, I feel we have given you the opportunities for success and encourage you to build on what you have been given, and to share the same quality of commitment with others in your life.

I thank each of you for your contributions to the school and ask you to think of us often. We will always be your school — return often.

The future is indeed yours. I extend to you my sincere wishes for the best that life has to offer.

Sincerely,
Raymond E. Avery

SENIORS

HISTORY OF THE CLASS OF 1989

Congratulations seniors! We finally made it! Did you ever think this day would come? Let's look back and see how much we've accomplished.

From the start we've shown our spirit and desire to win. Beginning with an undefeated freshman football team, we've worked our way up to being the "mighty Panthers" by bringing our school four SSL Championships in a row, including a Superbowl berth in 1987. Our boys Cross-country team has brought a new meaning to the word determination. Season after season they ran meets without many fans watching. This year they certainly caught our eyes! They placed third out of over 300 schools in Massachusetts. WHAT AN ACCOMPLISHMENT! But . . . not only did our boys excel, our girls teams did, too. The girls soccer team made the state tournament for the second consecutive year and this year they are the first girls soccer team at W-H to be SSL Champs. The softball team also brought W-H a league championship in 1988. Thanks to *all* our athletes for many exciting games.

Not only are we athletes, but scholars, musicians, performers, and leaders . . . an assorted bunch!

What about some of the memorable events- the hurricane, space shuttle, the freshman/senior banquet and Martha's Vineyard? Remember when the semi-formal was canceled because of bomb scares? The junior prom? When we won hall decorating and most spirited class junior year? And soon to be added to this list is the senior banquet, prom, and graduation! We all have our personal memories and each and every one of us will hold something special within us about Whitman-Hanson. It's hard to believe that all of these crazy and colorful things could have happened to us in just four short years, but we're glad they all happened to us — the class of 1989!

WE ARE W-H!

We would like to thank two very special people, Mr. MacDonald and Miss MacCormack. They have guided us and helped us become the best class yet! We'll miss you! And again, congratulations to the seniors!

Sincerely,
Christine Morrell
& KathyJo Boss

Time is flying by, most don't know where it went,
All that is known is it was quickly spent;
Some had good times while others had bad,
But each of us should be grateful for what we had;
We have formed our own images of today,
Whether it be conservative or outrageous it's always okay;
Because each of us has something special that sets us apart from the rest,
And whether we encounter failure or success we shouldn't be disappointed
if we tried our best;
We weren't born just to live,
Each of us has something unique to give;
The time has come to let the true colors shine through,
But we should never forget the good times at Whitman-Hanson we once knew.

PROTECT

Peers reaching out to educate children today (P.R.O-.T.E.C.T.). This Club is an organization of students fighting the dangers of drugs and alcohol. P.R.O.T.E.C.T. members visit Whitman and Hanson middle schools once a month. Our philosophy is to help the children make an educated decision on substance use, rather than forcing a decision upon them. We take great pride in helping the youth in our communities. We consist of class presidents and captains of sports to people who just like to help. This group becomes larger every year and we hope this is positive feedback from our work done at the middle school level. As a result of our efforts we were honored to be invited to the Governor's Alliance Against Drugs reunion at Arlington High School this year.

MARCHING BAND

Looking back on our years as part of the Whitman-Hanson band, we've seen many improvements in both our attitude and our ability. This year at the Abington Jamboree we received our first silver medal. We believe part of our big improvement is due to our new band director, Mr. Thomas Olivierie. This year we are planning on an exchange concert with Connecticut. This will enable us to show off our new Jazz Ensemble.

The senior band officers would like to wish the best of luck to future W-H band members. We hope you will get as much out of it as we have.

During our four years together here in Chorus many things have happened. First of all, in the past three years we've had only about 60 students participating in the choral activities, but this year we have 127. We were very pleased with the turnout at the Christmas Concert while the Show Choir presented "Santa's Frosty Follies" which was raved about. The fun we had showed in our performances. We've all made many friends through our rehearsals and public performances.

The graduating seniors would like to wish everyone in Chorus the best of luck and more great performances.

NEWSPAPER CLUB

The Newspaper club, at Whitman-Hanson Regional High School, is very excited about the 1988-89 school year. We look at this time as a "turnaround" year for the club.

We began with virtually no working capital, and yet, we had very high expectations of what we wanted the newspaper to look like. We wanted to present high quality, original art and graphic design, along with professional quality typeset text.

With student contributions of fine art, photography, layout and typeset, we were able to show a profit after just one issue. Due to the hard work and perseverence of many dedicated students, we sold both commercial ads and, of course, many newspapers. In fact, we were sold out the very first issue, and in spite of reprinting two and three times, have continued to sell out in each subsequent issue.

We have attempted to publish once a month, and have been able to keep that schedule. Our original goal was to present a very high quality medium for voicing student concerns, and we believe that we have met that challenge.

The Photography Club at Whitman-Hanson Regional High School, newly reactivated this year, has joined in a cooperative effort with the Newspaper Club for the improvement of both student activities.

The Photography Club is now able to provide photographic services for use in the student publication, and other school needs, while providing participants with the same type of assignments and experience that they would find working within the profession.

The Club is open to all students of Whitman-Hanson Regional High School, and welcomes anyone interested in learning the artistic and professional aspects of fine photographic skills.

The club provides students with opportunities that can really help make a difference in the world. Highlights of this year's activities were a food drive, trick or treat for UNICEF, a trash-a-thon, an ending hunger concert, bananagrams, and Valentine's Day friendship bracelets to help support our foster child in Cali, Columbia, Jhon Freddy Obando. BB FAN CLUB

B.B. FAN CLUB: J. Holden, King B.B., S. Gomes

The B.B. Fan Club is one of Whitman-Hanson's most prestigious organizations. Membership has skyrocketed over the past few years, predominantly due to an increase in the awareness of B.B.'s coolness. Only those individuals recognizing the fact that B.B. is, and always will be, the King, are admitted for membership. Shown here are Bob Lelievre, the King himself, and two faithful adherents, Jeff Holden and Steve Gomes.

The team that couldn't do it, did it! That's right, after a berth in the Superbowl last year and only four starters returning, many of the so-called "experts" felt that 1988 was a rebuilding year for the Panthers. Well, during this "rebuilding year", we finished our season with an outstanding 8-2 record and we clinched Whitman-Hanson's 5th straight S.S.L. Championship in a row. With a convincing win over league powerhouse, Duxbury, we started to receive some well-deserved respect. Then two weeks later a strong Middleboro team came to town. Who will ever forget that special night and the 4th quarter 21 point comeback we made to win 28-27? We know we don't! We would like to thank our cheerleaders, our fans, our parents, and most of all our Coaches who made our senior year fun, exciting, and unforgettable. We would also like to wish next year's team the best of luck and we hope you remember that hard work and team unity are the best qualities a football can possess.

Good Luck!

The 1988 girls' soccer team represented Whitman-Hanson very well in the S.S.L. with a record of 10-5-2. This record enabled the Panthers to be league co-champions. This was the first time the team ever was at the top of the S.S.L. The team also qualified for the State tournament. The team was very well balanced this year with no real superstar, but consisted of a group of girls who worked and developed together as a team. The defense complemented the offense while only allowing 18 goals in a 17 game schedule. The forward and halfback lines, working together, managed to score 48 goals this season. Whitman-Hanson had four players named to the S.S.L. All-Star team this year: Amy Kempton, Linda Davidson, Jeanette Smith, and Michelle Hogan. The seniors would like to wish the best of luck to next year's team and thank Mr. Ward for making our senior year one to remember.

I don't know if it was just luck or fate,
All I know is I'll never forget the soccer season of 88;
With hard work this team has achieved the greatest award ever,
We have earned our place on that blank gym wall forever;
Thank you for making my dream come true,
It was definitely worth the aggravation we went through;
Good luck to the players of the years to come,
And happy trails to my fellow senior chums;
Thank you Mr. Ward for teaching me new skills to improve my play,
And thank you Bonnie for always making me laugh with those crazy things you do and say,
I don't know where I'll be next fall,
But I'll be thinking of each and everyone of you and remembering it all.

This year's boys' soccer team had the best record in the history of boys' soccer at W-H. We ended the season 8-6-4, being just one win from qualifying for the State Tournament. We will always remember our victory over Randolph 3-1 in the first night game at Whitman-Hanson and tieing Rockland twice. W-H had never beaten or tied the Bulldogs before this season. The Panthers were represented on the S.S.L. All-Star team by Eric Frank, Mark Gould and Bill Mortimer. Everyone on the team would like to thank Mr. Barrington and wish good luck to future teams.

The 1988 Girls' Cross Country team ended its season with a successful 9-2 record. Defeated only by Dennis-Yarmouth and Duxbury in one intense tri-meet, we didn't let it get us down. Instead we worked harder than ever with Miss Moss' new hill workouts, to defeat both Duxbury and Dennis Yarmouth in the S.S. Principal's meet over all. That was quite an achievement for the team. Along with great success as a team, a few individuals stood out. Amy Hodges was awarded a position in the S.S. All Stars, on her birthday. Our freshmen pack won the Apponequet meet for the first time in Panther history. As a whole, the team was honored at Dennis-Yarmouth banquet as being "their toughest competition". With only three seniors leaving, the 1989 Panther Girls Cross Country will be more successful than ever!

"We wish them the Best of Luck?"

The 1988 Boy's Cross Country Team was the most successful Cross Country team in Panther history. Despite the fact that the team did not win the league championship, we continued to improve throughout the season. This was clearly shown as we placed exceptionally well in the important post-season meets. After our loss to Dennis-Yarmouth, we bounced back to convincingly win the SSL Varsity meet. Placing in that meet were, Greg Ward (1st), Mike Slaney (3rd), Donald "Spud" Conway (6th), Chris O'Donnell (10th), and Rich Wisnaskis (12th).

The State Coaches Meet held according to age, winning medals in their respective divisions were Don Conway (16th), Greg Ward (10th), Rich Wisnaskis (16th), and Chris O'Donnell (8th). In the EMass Div. 2 race the team finished a surprising 2nd. We came out the 3rd best team in the state, the school's most outstanding Cross Country feat ever.

Congratulations go to junior Greg Ward for being named Athlete of the Month during the season, being named to the Patriot Ledger All-Scholastic team, becoming an SSL All-Star and League Champ and the team MVP; to Don Conway for being the teams Runner of the Year by showing outstanding running and leadership qualities that are a model for younger athletes; to Rich Wisnaskis and Chris O'Donnell for sharing the Most Improved Runner honors due to their work and dedication; to Kevin O'Donnell for being the Comeback Runner of the '88 season.

The team would like to thank Coach Black for making us the team we were; also the seniors Scott Jensen, Kevin O'Donnell and Don Conway. Lastly, and most of all, we hope the future teams will be as successful as we were during this enjoyable season.

*Christmas Tournament (1st Place)

Although the Girl's 1988-89 Basketball Team was young and inexperienced, with only one returning starter, they surely did not lack the enthusiasm to learn and succeed. Character, pride and dedication were among the many growing qualities of this year's program. The dedication demonstrated by each individual allowed the team to be proud of its accomplishments and the strength of character which was displayed ensured the team's best performance.

The outcome of the season is yet unknown, but whatever it shall be, the season should be considered a success for this year is the base for the success of next year's team.

Co-captains Sharon Troupe and Linda Davidson along with seniors Dawn King and Kathy Melia would like to wish future teams at Whitman-Hanson the best of luck and thank Coach Daley and Coach Kucks for being a part of our high school days.

The boys varsity basketball team began the season with high hopes. The best plans often go astray, however, and the team finished with a losing record. The players this year did, however, gain the much needed experience and mental discipline that seemed to be lacking at the start of the season. Several games came right down to the wire and never was there a dull moment. The program as a whole showed much promise for next years team.

Capt. Don Conway, Coach Gay, Capt. Bill Marcolini

It was a rebuilding year for the Panther Wrestling team, and who would have known what the team could accomplish, returning only 5 out of 13 varsity starters from last year's team? But as the meets went by, the Panthers proved themselves to be contenders for the South Shore League title. They then went on to pass two milestones, the first being Coach Gay's 50th win as a head coach, and the second being the 125th victory since the start of the program.

The team also competed in its first every Commonwealth Cup Tournament which consisted of the top 8 teams in Massachusetts from the previous season. The Panthers faired well coming out of the tournament with a 2-1 record, losing only to tournament champions, Dracut.

Much of the team's success during this, somewhat of a Cinderella season, is owed to Assistant Coach Gary Rabinovitz. His knowledge and experience has proved to be helpful on and off the mat. His, along with Coach Gay's hard work and dedication, has helped to make the 1988-89 Panther wrestling season the best it could be.

Finally, the seniors would like to wish next year's team the best of luck in keeping the winning ways characterized by hard work and dedication, which Whitman-Hanson wrestling has been known for.

The 1988-89 Panther hockey team posted the best record any W-H hockey team had seen in over 18 years. Under the direction of second year head coach Scott O'Connor, the team managed to clinch both a (long awaited) state tournament berth and second place in the SSL — with games still remaining in their schedule. The depth of the team made possible the success attained this year. The squad's offensive attack, headed by tri-captain Rich Manning, was reinforced with the skills and talents of each forward of every line. Senior goalie Steve Corr was the biggest asset to the Panthers defense and was assisted by a core of extremely capable defensemen. Each player leaves this season with a willingness to face and overcome adversity along with an appreciation for the commitment to excellence, Thanks Coach! The seniors wish everyone the best of luck for the future.

The Panthers dropped a close meet to Norwell 48-38; Norwell finished first in the small school division with Whitman-Hanson finishing second. The 1988-89 Panthers were led by distant runners Mike Slaney, Greg Ward, mid-distance runner, Mike Ennis; shot putters Bob Lelievre and Kirk Lincoln; and sprinters, Ray Hume, Dan Lydon, and Mike Bertoncini; all of whom qualified for the State Class Meet. This year was also the first year that a Whitman-Hanson indoor relay team has placed in the State Relays. The Shuttle dash team of Mike Bertoncini, Rick McPate, Dan Lydon, and Ray Hume placed fourth in Class B at the State Relays in February.
